

FULL-SERVICE MEDICAL LAB COAT PROGRAM

As an extension of HCSC's comprehensive Linen Service programs, HCSC offers a full-service lab coat program to enhance the professional image of your staff.

OUR SERVICES

Custom embroidery to create a personalized, professional look.

Steam Pressed & Inspected.

Individual tracking and reporting to control costs, minimize loss, and ensure adequate supply.

Replacements for size changes and normal wear at no additional cost.

All lab coats meet hygienically-clean standards, exceeding established OSHA and CDC protocols.

Please contact your Hospital Central Services Cooperative (HCSC) Account Representative for more information.
